DEPTTEL 313

I informed [] by telephone yesterday 5 p.m. USG had decided eliminate special restrictions MAP but that we did not plan make special announcement. He agreed no publicity indicated in circumstances. Made no other comment.

I repeated this information to him this morning during interview when President's proclamation delivered. Took advantage opportunity press him again about PAF refusal participate in Operation Unitas III and this approach successful in getting [] decision reversed (EMETEL 486).

I also asked him how USG was to construe [] statement that use Peruvian armed forces would depend on unanimous agreement American States. He replied that junta considered necessary in interest most effective use Peruvian forces consult with other countries, particularly Argentina and Chile but of course did not intend interpret unanimity literally since obvious certain countries not able participate effectively with armed forces. He also added that junta is still considering advisability (which apparently seems attractive to junta) invite visit representatives Joint Chiefs of Staff plan collaboration.
